EV9798-20

Scalekleen™ Scale Remover

Smart, environmentally safe way to de-lime equipment

English/French: EV9796-20 (24 packs/case)

English/Spanish: EV9798-20 (24 packs/case)

BENEFITS

Restores equipment to peak operating efficiency by removing scale build-up

Quickly removes limescale from coffee brewers

Ideal for deliming steam and warewashing equipment

Great for OCS applications

Non-toxic, safer to skin and won't burn clothing like conventional deliming acids

Sewer system disposable, so you can pour it down the drain

When used with Everpure's JT cartridge, Kleensteam®, or HFC-10, deliming is accomplished without equipment disassembly

INSTALLATION TIPS

The preferred way to introduce Scalekleen™ into all water-using equipment through an existing Everpure head is with the "JT" Flushing/Sanitizing Cartridge

4JT Cartridge (EV9608-00)

2JT Cartridge (EV9608-10)

OPERATION TIPS

Product must be used according to the use instructions stated on the packaging

Material Safety Data Sheets are available upon request

APPLICATION/SIZING

7.0 oz. (200 grams) Individually Wrapped Packets

Scalekleen™ Scale Remover

SPECIFICATIONS

Refer to Material Safety Data Sheet. Call Everpure Technical Service for copy of MSDS.

ScaleKleen
The safe, environmentally responsible scale remover
SAFE. Organic formulation destroys scale without noxious fumes, ruined clothing or burns.
ENVIRONMENTALLY RESPONSIBLE. All natural, non-toxic, biodegradable. Contains no phosphates. Sewer system disposable.
CONVENIENT. Solid granules are easy to use. Just mix, pour and watch it work.
POWERFUL. Activated citric acid, the key ingredient in ScaleKleen, has almost three times the scale dissolving power of ordinary citric acid.
EQUIPMENT-FRIENDLY. When used according to directions, ScaleKleen won't harm the rubber, plastic or copper parts in your equipment.
Directions for Use
1.75 oz. packet per quart of hot water
7 oz. packet per gallon of hot water
2.2 lb. packet per 5 gallons of hot water
Batch Treatment
1. Heat water to almost boiling.
2. Slowly pour ScaleKleen into water tank. Stir to dissolve.
3. Wait 30 minutes. Check to see that all the scale is gone.
4. If scale persists, repeat process.
5. Rinse tank thoroughly.
CAUTION: In case of contact with eyes or skin, rinse thoroughly with cold water. Avoid prolonged contact of solution with stainless steel surfaces. Contains salt which may cause surface discoloration. Discoloration can be removed with a mild cleaning agent. Keep away from children.
